

K-LOVE Radio Station 91.1FM in Denver Colo., is a station that my children can listen to without fear of vulgar language and music. The music is soothing during rush hour traffic.

I personally can vouch for the affect that this station has had on my life, and the life of others. This is one of the few stations on the "air", that do not have, annoying commercials, vulgar/bad taste programing and loud nerve racking music. Actually if more people listened to KLOVE during rush hour traffic, I beleive there would be LESS road rage !
